Mithlesh kumar

SUMMARY

Dedicated and detail-oriented Data Scientist with a strong foundation in coding, interpersonal abilities and attempting to use a solid command of intricate mathematical ideas and programming expertise. Strong analytical and communication skill with a passion for staying up-to-date with industry trends.

TECHNICAL SKILLS

Programming languages:

Python, Java Script, C, C++

Web Technologies: HTML, CSS

Data Management: MySQL, MS Access

Platforms: Unix, Windows 11

Data Skills: Data Visualization

CERTIFICATIONS

- Full Stack Development Trainee – W3 Grads (Online, Summer Internship)
- Responsible Web Page | Free Code Camp | Oct'2023
- Leadership Skills Soft Skills | Mind Luster | Nov'2023

POWER SKILLS

- Leadership
- Curious
- Time Management
- Teamwork

PROJECTS

Project- Project – Analysis of Twitter Bot Usage for Indian Political Issues |

- Domain : Machine Learning | Programming Languages: Python, R, SQL
 - Collected and pre-processed **large-scale Twitter data** related to political hashtags and trending topics using **Tweepy API / Twitter API v2**.
 - Designed **interactive dashboards and visualizations** using Python libraries (Matplotlib, Seaborn, Plotly) to highlight patterns in bot activity.

Project- Website on 'Story Generating -Storysprout'

- Domain: Full Stack Development with Gen AI | Programming Languages: HTML, CSS, JavaScript, MongoDB, Node.js
 - Designed a chatbot interface that utilizes Generative AI
 - Integrated **real-time response generation** to enhance storytelling experience

EXPERIENCE

❖ Machine Learning & Data Science Intern – Locus, Bengaluru (Remote) | (Sept'25-Present)

Gaining hands-on experience in **EDA, predictive modeling, and model evaluation** using Python (Pandas, scikit-learn, TensorFlow/PyTorch).

❖ Full Stack Development Trainee – W3 Grads (Online, Summer Internship) | (June '24- July '24)

Practiced **end-to-end project development**, version control with Git/GitHub, and deployment of web applications.

EDUCATION

B.Tech. in Computer Science (Data Science and ML)

Lovely Professional University | Phagwara, IN

CGPA 9.0

(Aug'23- Present)

Shree Ayyappa Public School | Bokaro, Jharkhand

CGPA 9.2

(May'20-June'22)
